Dear Diwakar

We would like to place on records our sincere and deep appreciation for the work executed by you at our canteen at 90 MG road, Mumbai.

We have found that you have completed the project in a timely manner, with a personal involvement at all levels that has helped convert our vision into a reality.

The facility has been appreciated by all and is a testimony to the hard work put in by your team.

We wish you the very best in your future endeavors !
